Important Information

The following information has the health and safety of your children at heart. Please support the school in the following measures:

Absences and Lateness

The school office **must be contacted by 8.45am** on any morning that your child is absent from school. This is to ensure that no child goes missing between home and school. All late children must report to the office. They will be taken to their classrooms at the next convenient time.

Before and After School

Parents are reminded of the hazards of children travelling to and from school unaccompanied and are encouraged to ensure their safety. Pupils should not arrive at school before **8.30am** and should be clear of the school grounds by no later than **3.30pm**, unless specific arrangements have been made with the staff. Children are most welcome to stay in the grounds after 3.30pm if supervised by a parent.

Bicycles, Skateboards, Scooters and Rip-Sticks

Bicycles, Skateboards, Scooters and Rip-Sticks are allowed to be ridden in the school grounds in designated areas. All children must wear a helmet when riding. Children are not to share unless it is with a family member.

Books

All books owned by the school should be cared for and lost or damaged books reported to the class teacher. There is a need for parents to check pupil's school bags regularly during the school term, to ensure prompt return of readers and library books.

Bus Service

The Mid Canterbury School Transport Service (MCSTS) provides ACS pupils with a bus service. This is free to all who live 3.2km (age 10 or less) or 4.8km (age 11+) from school. All arrangements and more detailed information is available at MCSTS (www.mcsts.co.nz) or call 03 307 2420.

Cancellations

In the event a trip or event is cancelled due to weather a notice will be posted on Skool Loop and uploaded to Facebook

Complaints

NZ resident students need to follow the school's complaints procedure which is available on our school website. International School Students and caregivers need

to follow the NZQA complaints procedure for concerns and complaints about a provider breaching the Code (www.nzqa.govt.nz) or they can also contact iStudent for concerns and complaints about money or contracts. Freephone 0800 00 66 75 or visit the website (<http://www.istudent.org.nz/>).

Damage

Any damage to furniture, fittings, windows or property, whether personal or owned by the school, should be reported immediately to the class teacher. In some circumstances parents may be billed to pay for damage.

Dental Care

Year 0-8 children will receive their dental check-ups at ACS through the School Dental System. Follow-up work is undertaken at Ashburton Community Dental Service, Cnr Oak Grove and Elizabeth Street. Their operating hours are 8.30am – 4.15pm. Phone 307 6932. Parents receive an appointment card from the dental therapists which will be sent home with the child. Year 9-13 students need to register with a dentist.

Behaviour

As a school we seek to encourage and acknowledge positive behaviour. When confronted with misbehaviour teachers seek to identify motives of the heart in each child and respond as wisely as they are able. They seek to instil in pupils Biblical principles of Christian living as found in Scripture.

The following procedures are followed for dealing with misbehaviour:

1. Restorative talk – the format is conversational and usually brief. The goal is to remind, correct or redirect minor misbehaviour into positive behaviour.
2. Restorative Conference – the format is a formal meeting with the teacher and/or a lead teacher. The goal is to explore more serious misbehaviour, helping the pupil unpack their motive and helping them avoid such situations again. Parents may be informed. Natural consequences are given.
3. Restorative Meeting – the format is a meeting with the teacher, principal and parents. The goal is a shared approach to the on-going misbehaviours of a pupil. Natural consequences are given.

In the classroom setting we have implemented a visual management system to support the restorative approach. All children begin a day on green. If there is any misbehaviour, children are warned and/or moved to orange then red. Red results in removal from the classroom setting to allow other pupils to continue having a learning focused classroom. Students on orange or red will have a restorative talk or conference at the next opportunity.

Classroom Standards/Principles

- Obey teachers without excuse, challenge or delay
- Accept and serve others in the class
- Work at a noise level and in a place and manner as instructed by the teacher and that supports the learning of all class members
- Speak truthfully in an up-building and encouraging manner. There is no tolerance for abusive language, swearing or put-downs
- Put up your hand if you need help or wish to speak to the teacher

Additional Playground Standards/Principles

- Obey staff or parent helpers immediately
- Keep themselves and others safe
- Respect people, property and the environment
- Use common sense
- Only go in designated areas
- Remain seated during the time designated for eating lunch
- No play in the toilets

Emergency Procedures

The school has emergency procedures for a range of possible scenarios including fire, earthquake and emergency lockdowns.

Electronic Devices

All pupils will have access to computers for educational purposes when the teachers allow. Pupils will be taught the principles of what is often termed digital citizenship. If they demonstrate they can be trusted to follow these, they may receive a school device in Years 7 to 13. This has to be approved by the teacher, principal and parents. Years 11 – 13 have the option to BYOD (bring your own device).

No copying to or from home and school devices is allowed without permission. Cell Phones are allowed at school for contacting family and only used with permission, otherwise they will remain in students' bags.

Payments

Please take care to pay to the correct account as per instructions below

Attendance Dues for 2022 are \$1300 per student.

1) The Christian Schools Trust (CST) - Attendance Dues Payments

The CST receive all attendance dues as well as request a \$500 donation per family. They use this to lease the land and buildings we use. They will send a statement to all families in the first three weeks of each term with the final statement near the end of Term 4. The Ashburton Christian School office has direct debit forms otherwise you can set up an automatic payment.

Pay **Attendance Dues** via internet banking into:

Christian Schools Trust

BNZ 02-0874-0182984-000

Particulars: [invoice no. if you know it, or ACS donation, or fee]

Reference: [family name]

For any queries with Attendance Dues please email Rhonda Thorpe on attdues@middleton.school.nz or phone 03 348 9826 ext 604

2) Payments to Ashburton Christian School for Incidentals.

All School charges for incidentals will be invoiced from Ashburton Christian School. Activity donations can be paid via EFTPOS at the school office or via internet banking. This bank account is separate to the account that you pay school attendance dues.

Ashburton Christian School

ASB 12-3271-0021050-00

Particulars: [family name]

Do not pay attendance dues to the Ashburton Christian School account. Refer to: **The Christian Schools Trust (CST) - Attendance Dues Payments.**

Homework

We aim to have reasonable and regular homework expectations that support learning in the classroom. We may give extra homework to target areas of specific needs at certain times. The older the child, the more homework they will receive. In Years 9 - 13 pupils will self-manage, with after school detentions for incomplete work.

Injuries

Injuries are to be brought to the notice of a teacher immediately. For any injury considered serious, parents will be notified, and a record kept in our serious injuries folder.

Interval and Break Time Supervision

Interval is usually supervised by a duty teacher but may also be supervised by a trusted parent, or teacher aide, who has quick access to a teacher.

Leave These Items at Home

Students are not permitted to bring chewing gum, bubble gum and lollies to school. They are also not permitted to have knives, fireworks, lighters or matches at school. Toys are only permitted for show and tell.

Leaving the School Grounds

Year 0-10 students may not leave the school grounds during school hours without the permission of a teacher. The teacher must be informed by the parent of appointments that would necessitate leaving the grounds. Year 11-13 pupils may go to the shop at lunch time, in groups of three or more and must sign out and back in at the office.

Litter

All food, paper, plastic, and metal waste is to be taken home in lunch boxes each day.

Lost Property

All clothing, books and sports gear must be clearly named. Lost property is kept in the administration block.

Medication

Parents of pupils required to take medication at school should advise the school of this by note to the teacher or office. For any medication that the school dispenses, it is necessary for a medication clearance form to be filled in by a parent.

Newsletters

All notices, including our weekly bulletin can be found on Skool Loop. Please ensure that you subscribe to all relevant groups.

Office Hours

The school office will be open from 8:30 to 3.30pm from Monday to Friday.

Relationships

No boyfriend/girlfriend relationships are allowed in school, but, rather, pupils are encouraged to care for one another as brothers and sisters ought to.

Reporting on Pupil Progress

We will have four main reporting times to parents.

At the end of Term 1 Parent Teacher Interviews will take place to set goals and discuss progress. Term 3 we will have three-way conferences with the parents/caregivers, teacher and child to share learning from throughout the year. At the ends of Terms 2 and 4 a written report on academic progress and work habits will be sent home.

Road Safety

Caregivers must ensure their child is safe on the roads before allowing them to walk or cycle. The school has a road safety programme. We recommend no pupil cycle to school before the age of 11. Helmets are compulsory in NZ. We recommend helmets for pupils on scooters as well. International students will be assessed by school staff before being allowed to cycle or walk.

School Property

If a student damages school property parents may be billed for the cost of repair or replacement.

Snowfall

We will close our school for the day if there is a threat that we could get snowed in. Closures will be announced on Classic Hits 92.5FM at around 7.30am, 8.00am and 8.30am. We will also publish closures on Skool Loop and the ACS Facebook page where possible.

Stationery

It is each family's responsibility to ensure children have the right stationery.

You may purchase your orders in retail stores. Paper Plus, Office Spot and The Warehouse Stationery all hold up to date stationery lists for each class.

Sun Smart

The school provides sun screen. School hats are compulsory in Terms 1 and 4 for Year 1-6 pupils each lunch time.

Uniforms

Supplier

*Our uniform is supplied by Mainland Uniforms and are to be purchased online:
<https://www.mainlanduniforms.nz/>*

Mainland also stock our uniform at their Wairakei Store in Christchurch should you prefer. 511 Wairakei Road, Burnside, Christchurch.

Contact: 03 360 3037 or sales@mainlanduniforms.co.nz
