Important Information

The following information has the health and safety of your children at heart. Please support the school in the following measures:

Absences and Lateness

Absences must be reported, either on Skool Loop or by contacting the office, **by 8.45am** on any morning that your child is absent from school. All late children must report to the office.

Animals

Our Animals on School Site Policy will be sent out at the beginning of each year. However, please note: no animals are to be brought on site without prior permission of the Senior Leadership Team.

Behaviour

As a school we seek to encourage and acknowledge positive behaviour. When confronted with misbehaviour teachers seek to identify motives of the heart in each child and respond as wisely as they are able. They seek to instil in pupils the Biblical principles of Christian living as found in Scripture.

Our school Behaviour Procedure will be sent home at the beginning of each year.

Before and After School

Pupils should not arrive at school before **8.30am**. Teachers are outside on duty until 3.15pm. Children are most welcome to stay in the grounds after 3.15pm if supervised by a parent.

Books

All books owned by the school should be cared for and lost or damaged books reported to the class teacher. There is a need for parents to check pupil's school bags regularly during the school term, to ensure prompt return of readers and library books.

Bus Service

The Mid Canterbury School Transport Service (MCSTS) provides ACS pupils with a bus service. This is free to all who live 3.2km (age 10 or less) or 4.8km (age 11+) from school. All arrangements and more detailed information is available at MCSTS (www.mcsts.co.nz) or call 03 307 2420.

Cancellations

In the event a trip or event is cancelled due to weather a notice will be posted on Skool Loop.

Complaints Procedures

Our school Complaints Procedure will be sent home at the beginning of each year. We encourage parents in the first instance to contact your child's Homeroom teacher.

- Step 1 – Teacher
- Step 2 – Head of Primary / Secondary
- Step 3 – Principal
- Step 4 - Board

Damage

Any damage to furniture, fittings, windows or property, whether personal or owned by the school, should be reported immediately to the class teacher. In some circumstances parents may be billed to pay for damage.

Dental Care

Year 0-8 children will receive their dental check-ups at ACS through the School Dental System. Follow-up work is undertaken at Ashburton Community Dental Service, Cnr Oak Grove and Elizabeth Street. Their operating hours are 8.30am – 4.15pm. Phone 307 6932. Parents receive an appointment card from the dental therapists which will be sent home with the child. **Year 9-13 students need to register with a dentist.**

Emergency Procedures

The school has emergency procedures for a range of possible scenarios including fire, earthquake and emergency lockdowns.

Electronic Devices

The older the child, the more homework they will receive. In Years 9 - 13 pupils will self-manage, with after school detentions for incomplete work.

Injuries

Injuries are to be brought to the notice of a teacher immediately. For any injury considered serious, parents will be notified, and a record kept.

Sign In

It is important that ALL visitors to school (including parents) sign in at the office between the hours of 9 am and 3pm. If you are collecting your child during the school day, or dropping an item to your child, please come to the office first.

Students who leave or arrive during the school day must also sign (or be signed by a parent) in or out.

This does not include normal pick up and drop off times or pre-advertised events such as assemblies or sports days.

Stationery
